Office of the Registrar of Consultant Lobbyists

Summary of investigation

June 2021 Organisation or person investigated: Shout Out UK Ltd (SOUK)

Matter(s) investigated: Whether SOUK is an unregistered a consultant lobbyist.

Registrar's decision: On the basis of information supplied, SOUK is not acting as a consultant lobbyist.

Summary of rationale for decision: The mainstream work of SOUK is not representing clients, but increasing political literacy among people, for whom SOUK provide educational services and a platform. SOUK has provided assurance that communications made in their own name is not for a client, but for the next generation of young people. This is also apparent from their website. Secretariat work for All Party Parliamentary Groups (APPGs) is registrable if it meets the criteria of consultant lobbying under the terms of the Transparency of Lobbying, Non-Party Campaigning and Trade Union Administration Act 2014 (The Act). SOUK has provided assurance that the secretariat services they provide for the APPG on Political Literacy is unpaid. It is therefore not registerable.
